

## Fall 2022-2023 Tiger Club

\*NEW for Fall of 2022\* Invoicing will take place on Mondays. This invoice will be for the upcoming week of Tiger club with payment to be received prior to the week of planned attendance at Tiger Club.

**There are three main types of contracts that you can sign up for.**

**What are your Contract Options?**

- **Consistent Contract:** one to five days, schedule repeats consistently every week all school year
- **Pick Your Day Contract:** best for families who have a variable schedule throughout the school year
- **Drop-in Contract:** best for families who need a casual day here and there or only need care on non-school days

We offer a School Year Contract Session and Summer Contract Session - families register for each contract session separately.

**Consistent Schedule-** This is a consistent schedule every week being the same AMs/PMs or both. There is a lower daily fee with a consistent schedule but you will be responsible for payment if they attend or not. A consistent schedule must last at least 14 days so any changes will be at least two weeks from the day you submit it. There will be a \$10.00 contract change fee for changes made to consistent schedules.

**Pick Your Day Schedule-** This is for families that will not have a consistent schedule each week. There will be a calendar that you go in and select the days you need Tiger Club. You will be invoiced for the days you select. The pick your day daily rate is a little higher than a consistent schedule but you will only pay for days that you select. You will have to select your days in advance and any additions to the days you select will be only if there is space available.

**Drop-in/NSD only Contract-** This is for families that will only use Tiger Club rarely, or only use NSD care. The rate is higher than the consistent schedule and the pick your day schedule

but you are not locked into days or a set contract. Adding days, you will go in and request days as drop-in care.
